PROTECT OMEGA PLEDGE

As members of the Omega community, we must each take steps to stay well and to protect each other, on campus and in the community. I pledge to take care of and be responsible for my own health, the protection of others and help keep my Omega community safe from the spread of COVID-19.

I PLEDGE TO:

PROTECT MYSELF

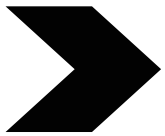

Monitor for the symptoms of COVID-19 and report to a medical professional if I experience a fever of 100.4 F or higher, a dry cough, repeated shaking with chills, muscle pain, a headache, sore throat, or loss of taste or smell.

Wash my hands often with soap and water and use hand sanitizer frequently

Maintain appropriate social distancing, especially in classrooms and studio settings

PROTECT OTHERS

Stay home if I feel ill or after exposure to someone who is ill or has tested positive for COVID-19

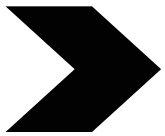

Wear an appropriate face mask and other protective gear as directed by Omega

Keep my clothing, belongings, personal spaces and shared common spaces clean

Carefully observe instructional signs and follow directions

PROTECT MY COMMUNITY

Notify the school immediately if I, or any of my immediate contacts, have tested positive for COVID-19 and participate in contact tracing

Not bring my cell phone on campus and will provide the school's contact information to anyone who may need to reach me during school hours
