***Accrediting Commission of Career Schools and Colleges (ACCSC)* Graduation and Placement Rates**

ACCSC requires its schools to report graduation rates on an annual basis. Their formula divides the number of students who completed the program by the number enrolled. ACCSC establishes the time frame (cohort) for these statistics each year. Following are Omega's statistics posted in its 2026 Annual Report.

ACCSC ANNUAL REPORT DISCLOSURES – GRADUATION AND PLACEMENT RATES

The report date for the Accrediting Commission of Career Schools and Colleges (ACCSC) Annual Report – 2026 is fixed by ACCSC at July 2026. The reporting period used to calculate the Graduation and Employment rates is dependent upon the length of the program in months. Therefore, the reporting period may be different for each variation of a program.
